

2017-2018 Fluency Passages for Assessment

Please note:

- ✓ **First grade** is the only grade level in which it is required to assess reading fluency (in Quarters 1 and 4).
- ✓ Due to requests for passage recommendations for other grades, information for Grades 2-6 has also been included.
- ✓ All fluency passages are from the California *Wonders* 2016 ELA adoption curriculum and are available digitally.
- ✓ For additional support regarding reading fluency, refer to the *Wonders Fluency Assessment Handbook (K-6)*.
- ✓ When assessing fluency, passages should be a “cold read” and not text that has been previously practiced.
